First Train the Trainers Event

Bilbao 5-7 October 2022

Built@Home

Host organisation: Hetel

Wednesday, 5 October 2022

09:30 - 17:30

Welcome, introduction and Participants Get to know

Mindset Workshop is aimed to gain a common understanding on what internationalisation@home means and start exploring which practices are already in existence in the participating organisations. Participants will get an answer about WHY you will implement international activities in your organisation. Why is it important to implement it into the curriculum?

Reflection time and closing of working day

Optional for the evening: Dinner together (20:30 - 23:00)

Thursday 6 October 2022

09:30 - 17:30

Welcome and introduction

Travel board Workshop - Thanks to this workshop the participants will identify the reference framework for interantionalisation@home activities in their school or classrooms.

Introduction of the navigation map - Participants will be introduced to this tool that guides them in tailoring the internationalisation@home activities according to their context needs.

Suitcase workshop - Suitcase contains all internationalisation@homeactivities collected and developed by partners. During this workshop, participants will be introduced to this tool, having the chance to test some of the activities, alternatively create some new ones,

Reflection time and closing of working day

Optional for the evening: Cultural activity

Friday, 7 October 2022

09:30 - 16:30
